Description

The Swan 48-111 STELLA MARIS I is a sailing specimen that combines elegance and advanced performance. This boat, launched in 1997, is perfect for those looking for the right balance of performance and comfort.

STELLA MARIS I is in excellent condition, having just undergone a major refit that includes a new teak deck and hull paint job in 2023, and a new engine and generator in 2022.

The boat is equipped with a number of outstanding features, including a Nautor aluminum mast with three spreaders and a 2016 furling boom, a 78Hp Volvo TAMD22 engine, and a DC 24V and AC 230V electrical system.

Inside, you'll find luxurious interiors and spacious cabins. Equipped with state-of-the-art navigation technology, it ensures safe and trouble-free navigation in all conditions.

Whether you're planning a relaxing cruise or an exciting regatta, STELLA MARIS I is the ideal choice for exploring the seas in style and comfort.

Navigation equipment:

Autopilot (Autohelm ST-7000 hydraulic automatic pilot).

Staging and technical:

Special Colour (Dark Blu).
