nautor swan Swan 68 elysion blue

18 000 € All Tax Included

Description

The Swan 68 offers both sparkling performance and comfortable cruising. The swan 68 is a fast, safe and sea kindly passage mark with excellent stability, ideal for long distance cruising. The softer, rounded forefoot helps to minimise slamming and the combination of modern rudder and proved bulb keel make for a light and precise feel to helm. Interior finishes in a special red teak.
