Description

This Swan 130 feet and 989 square meters of sail area making her sailing experience aboard overwhelming. She has been listed as the largest, single-hull luxury sailing yacht of our time. The largest Swan sailing yacht ever built, with her jet blue hull and gleaming teak decks make for quite a sight under full sail.

The raised saloon allows natural outdoor light to illuminate the entire room with panoramic views. She is decorated with walnut floors, warm brown leather sofas and polished wood walls. The dining area, the full width of the yacht, seats guests in great comfort and style. Every detail has been attended to from Baccarat crystal-ware, hand painted Bernardaud china to Christofle silverware.

The lower deck houses the Master Stateroom, which sprawls the full width of the yacht. With its two double beds, dressing table, his and hers walk in closets and TV/DVD and stereo systems it is a haven guests will enjoy retiring to.

There are two additional staterooms, one with a double bed and a couch that can be converted into a single bed and one with two twin beds. All cabins have en suite bath facilities and satellite TV, DVD and surround sound system stereo. The sports/swim platform, off the Aft of the yacht, offers easy access to the sea while also folding neatly up into the vessel for sleek storage. Incredible deck space not only creates a feeling of grandeur but it also provides guests with the ability to enjoy privacy.

Her table, located in the Aft opens up to a make it comfortable for all guests for dining outdoors under the sun, moon or under the full awning that covers the entire space. This high powered mega sailing yacht is unlike anything afloat. She
