Description

Step aboard SHAMANNA, the latest addition to the Swan 115 FD fleet, representing the epitome of luxury sailing vessels, perfect for an unforgettable charter holiday on the open seas. Tailored for genuine sailing aficionados, the level of comfort provided by this Swan 115 is unparalleled in sailboats of its class.

Crafted with a novel hull design by Germán Frers, featuring a sleek bow, expansive stern, and twin rudders for enhanced responsiveness, SHAMANNA prioritizes top-tier performance. Suited for both corporate events and private getaways, SHAMANNA boasts expansive decks that offer uninterrupted vistas of the water, complete with a spacious forward cockpit for leisurely moments. The plush sun loungers and ottomans provide an ideal setting for guests to savor the sea breeze. The Scandinavian-inspired interior exudes a fresh, contemporary ambiance, seamlessly integrating all modern living essentials into its design.

Accommodating up to six guests, SHAMANNA features a lavishly appointed master cabin, a second double cabin, and two twin cabins with Pullman beds. All cabins are equipped with generous en-suite bathrooms featuring showers. Additionally, there's room for two extra children if the need arises. Water sports enthusiasts can indulge in stand-up paddleboarding or kayaking, or experience the thrill of water skiing and wakeboarding, towed by the powerful Williams Sportjet 460 tender.

Boasting a seasoned crew with longstanding ties to the owner, this team of six is not only exceptional in catering to charter needs but also passionate sailors with global experience. SHAMANNA proudly delivers excellence to all, from the thrill-
