Description

Delivered in 2007, VALKYRIE is a 78 ft custom yacht built by Nautor Swan. VALKYRIE fills the role of Bill Tripp's concept of a Café Racer, a fast, sleek and comfortable yacht. She features a carbon hull, deck and mast blended with a lightweight interior and a race friendly deck layout, VALKYRIE, is at home on the marina at Porto Cervo o RORC Transatlantic Race. Thanks to a lifting keel system, the yacht affords superb sailing qualities as the deep ballast keel allows lightweight with high stability. The foil shape, unlike the typical cruiser racer, is deep and sleek – not compromised by draft restrictions – while still allowing access to the harbours and shallow anchorages making cruising so enjoyable.
