nautor swan Swan 128

## Description

The Swan 128, project N. 1400 by Frers studio, consolidates the Argentinean designer's forty-year collaboration with the Finnish shipyard, particularly active over the last ten years with the production of 13 new yachts, 7 of which over 80 feet (the limit that separates Swan Yachts from Maxi Swan Yachts). Designed by Germán Frers and featuring exterior design by Lucio Micheletti, this yacht embodies extraordinary elegance and functionality. Inside, the flexible layout offers a personalized experience, making each Swan 128 unique and inimitable.
