

SALE PRE OWNED

nautor swan Swan 48-202 kismet

1 095 000 USD All Tax Included

Description

'Kismet' stands as a testament to the artistry and innovation synonymous with the Nautor Swan brand.

With its rare availability on the American market and the added distinction of an upgraded carbon mast and Vboom,

this yacht represents a unique opportunity for those who demand excellence in both form and function.

Step below deck, and you'll discover a luxurious and thoughtfully designed interior. Impeccable craftsman-

ship and attention to detail are evident throughout the generous living spaces.

With three full size cabins and an open layout galley/saloon, no other yacht on the market in this size range can compare.

Kismet provides an inviting retreat after a day of sailing.

Beyond its aesthetic appeal, Kismet excels in performance. Whether cruising leisurely or participating in regattas, this yacht delivers a responsive and exhilarating sailing experience.

She has been very lightly sailed since delivery and has been rigorously maintained. When not in use she has been stored in a heated shed.
