Description

Embark on Luxury and Unparalleled Performance with the Swan 80

Welcome to the realm of maritime elegance with the Swan 80, a masterpiece in naval engineering crafted by the renowned architect Germán Frers. This exclusive yacht is the result of an extraordinary collaboration between the distinguished naval architect, external styling expert Lucio Micheletti, and interior artist Misa Poggi.

Captivating Design:

Aboard the Swan 80, design unfolds in every detail. The extended wood-covered deck, designed for maximum crew comfort, offers a fresh and captivating perspective. The modern, tidy appearance reflects precision and efficiency, while the foam-cored glass fiber reinforced epoxy with carbon fiber ensures exceptional performance.

Space and Versatility:

Below deck, the Swan 80 offers unparalleled space and versatility. Various cabin configurations allow you to tailor the interiors to your needs. With a spacious owner's cabin forward and four guest cabins, each with a private bathroom, this yacht epitomizes comfort.

Options for Every Need:

Whether you prefer the luxury of the standard design or wish to further customize the Swan 80 with specific options, the possibilities are endless. From cabin finishes to deck layouts, every detail can be adapted to meet your tastes and
