nautor swan Clubswan 80

Description

Explore Excellence with ClubSwan 80: Unleashing Elegance and Speed

Welcome to the exhilarating realm of the ClubSwan 80, the latest jewel in the prestigious Nautor Swan fleet. Meticulously designed for peak performance by Juan Kouyoumdjian, this extraordinary Maxi seamlessly blends style, innovation, and competitive sailing prowess.

Revolutionary Design:

The ClubSwan 80 is a testament to meticulous design, featuring a 4.75-meter canting keel and a dual-rudder configuration for impeccable maneuverability in all wind conditions. Juan Kouyoumdjian's bold design ensures outstanding performance, while the rotating canard and retractable bowsprit add an unprecedented touch of versatility.

Luxurious Interiors:

Beyond its racing pedigree, the ClubSwan 80 offers a sailing experience wrapped in comfort and style. The minimalist and refined interiors by Nauta Design strike the perfect balance between elegance and functionality, making every journey an unforgettable experience.

Customize Your ClubSwan 80:

Tailor your ClubSwan 80 with options like a forward master cabin, additional bathrooms, deck sunbathing area, and more. Choose between a race-focused configuration or a more luxurious version for sporty cruises, all while enjoying the amenities that suit your preferences.
