Description

Discover the perfect blend of elegance and power with 'YCH2', a performance cruiser that embodies Finnish design and quality excellence.

This extraordinary yacht, with its striking anthracite grey color scheme, exudes refined and sleek beauty. YCH2's custom interior with four cabins features an elegant combination of wengé and tinted oak, harmoniously blending contemporary sophistication with the timeless allure of a Swan yacht.

'YCH2' has undergone significant maintenance periods in 2014, 2015, and 2018, ensuring its excellent condition. Since being acquired by the current owner, it has benefited from continuous upgrades, including a new engine in 2015, a complete paint job, new rigging, and a comprehensive overhaul of the generators in 2023. These enhancements have kept it technically robust and ready for any journey. Fully MCA LY2 coded for commercial use and inspected by the MCA in June 2018, YCH2 also boasts DNV class certification.

Seize the opportunity to own a yacht that perfectly combines performance, luxury, and reliability.
