

SALE PRE OWNED

nautor swan Swan 90-001 spirit

950 000 € + VAT

Description

SPIRIT is a Bermuda sloop cutter, the only Swan 90 with a cockpit. The result of a complete renovation in 2014, it transformed the original Swan 86 into a work of art of the sea. The modernization of the living spaces, the innovation of the equipment and the reduction of five tons of weight, thanks to composite materials, give the SPIRIT extraordinary speed and impeccable maneuverability.

Featuring a new cockpit layout, with semi-fixed Bimini, new pedestals and double wheels, SPIRIT offers an unparalleled sailing experience. Manageable with a captain and crew member, it has maintained a high level of performance thanks to technical upgrades, including new battery systems, load management software and high-performance North 3Di sails.

With a history of private use since 2017, SPIRIT is led by the same experienced captain. A combination of elegance and performance, SPIRIT embodies the soul of a classic yacht with a modern twist.
