Description

Welcome to the epitome of bluewater cruising – the Swan 70, a vessel that seamlessly marries the exhilaration of high-performance sailing with the unwavering comfort and safety essential for worry-free maritime adventures. Crafted by the visionary Germán Frers and his esteemed studio, the Swan 70 stands as a testament to modern design and cutting-edge technology. Flying Dragon, a jewel in the crown, is one of only seven examples produced between 2001 and 2005.

Meticulously cared for, 'Flying Dragon' is a testament to superior maintenance practices. Recent enhancements speak volumes about the commitment to keeping this vessel in peak condition:
