

SALE PRE OWNED

nautor swan Swan 60s-201 flyer

1 600 000 € + VAT

Description

The Swan 60S-201 'Flyer' is a sailing exemplar that combines elegance and advanced performance. This boat, thanks to its low-drag hull, refined keel and rudder, offers light and responsive sailing.

'Flyer' can be easily operated even with a small crew, thanks to the electric winches and cockpit layout. The interior, designed to maximize living space, is bright and functional, with a practical kitchen and ingenious details.

The boat has four cabins, including a spacious master cabin and two symmetrical VIP cabins aft, both with en-suite bathrooms. Compared to the FD version, 'Flyer' boasts a larger deckhouse and a more contemporary interior.

With only 850 hours on the engine, 'Flyer' is equipped with next-level equipment, including a large generator, a capacious watermaker and a powerful engine. In 2023, all electronic systems and electrical components were replaced following a lightning strike, and the mast was dismantled and checked by QI.

The Swan 60S-201 'Flyer' is not just a boat, but a high-quality sailing experience. Whether you're planning a relaxing cruise or an exciting regatta, 'Flyer' is the ideal choice for exploring the seas in style and comfort.

Navigation equipment:

Rudder angle indicator.

Staging and technical:

Water pressure pump, Deck Shower, Manual Bilge Pump, Voltage Rectifier,
