

SALE PRE OWNED

nautor swan Swan 60-912 fd wawattoo iv

**1 400 000 € +
VAT**

Description

The last of the Swan 60 FD to be delivered, Wawatoo is also the most specified model available on the buying and selling market. Equipped with a full inventory of North Sails 3Di sails, she is ready to compete immediately.

Wawatoo was handed over in 2018 to a very experienced owner. It was used for less than two months and participated in only one regatta. When not in use, she has been cared for by a professional captain and all maintenance work has been carried out to the highest standards.

This 60 FD is ready to race; with a full inventory of North Sails 3Di (2021) sails, Hall Spars mast in high module with racing boom, Harken racing winches, ECsix carbon rigging with Future Fibres PBO forestay, updated B&G instrumentation and everything you need to participate in the race circuit, Wawatoo's new owner will be sure to stand on the podium at any event.

Wawatoo also features all the amenities you might expect from a Swan of this caliber; three luxurious cabins, air conditioning throughout the boat, generator, tender garage, Aermarine 270 tender, watermaker, white wash custom teak interior, air conditioning and much more.
