### Description

Ulysses is a high-performance Swan 60-012 that has been optimised for racing while retaining all the comfort you would expect aboard a yacht of this caliber. The laminate of the Regatta hull is 5,000 kg lighter than the standard hull. The deep keel offers better upwind performance, Hall Spars' carbon fiber mast and boom are just some of its many features. Accessories notes: Removable teak footstool for helmsman Removable cockpit table Outboard bracket on aft pulpit Deck accessories for sip & jockey pole Stern platform with hydraulic opening Additional lightweight stern door for racing Cold/hot shower on starboard side of the cockpit Connection for washing covered with sea water
