600 000 € All Tax Included

## Description

Swan 56-012 is an absolute head turner with the mix of modern-classic lines and beautiful midnight blue hull.

Originally build as a luxury cruising yacht for a family but with the potential to participate in regattas with success.

She has the standard Swan 56 interior layout with owners cabin in front of the mast and with the very

nice option, a separate shower cabin opposite the forward head. Two aft cabins and one crew cabin in

front.

She is build with the deeper High Performance keel, 390 kg heavier compared to the std keel, and with

a shorter installation surface against the hull, supported by a stronger keel frame, witch means more

weights further down the keel. The center of gravity is 45 cm deeper down than the std keel, makes a

huge difference in stability!

Ex "Desir Bleu" spend her first year in Monaco. In the winter 00/01 she was bought by an Italian living
