

SALE PRE OWNED

nautor swan Swan 54-009 nehalennia 1 650 000 USD All Tax Included

Description

'Nehalennia' is at the top end of the specifications for the renowned Swan 54. She features three full cabins plus a single berth starboard aft cabin, providing unmatched comfort. During construction, additional windows were added to further brighten the already light-filled salon. Custom interiors, air conditioning throughout, a watermaker, upgraded rig and boom, and a full sail inventory are just a few of the highlights. No expense was spared during her construction, and the high standard of maintenance has continued to this day.

'Nehalennia' offers the best of both worlds: perfect stability and comfort for extended bluewater cruising while also being ORC rated, with a full set of racing sails. The yacht includes a customized removable cockpit table, making her race-ready. She has had only one owner and has been maintained to the highest standards.

Key Features:

Yanmar 81 kW (110 HP) engine with folding propeller, fully serviced in June 2024.

Air conditioning and heating system throughout all cabins.

Sea Recovery Ultra Whisper 600 watermaker with a capacity of 95 liters per hour.

Hall Spars carbon mast and V-boom with upgraded rigging.

Customized interior with whitewashed wood finishes and oak flooring.

Complete inventory of cruising and racing sails, including 2018 North Sails.
