

SALE PRE OWNED

nautor swan Swan 44-113 chinook of gunhi 155 000 € All Tax Included

Description

SWAN 44-113 CHINOOK OF GUNHILL

Originally called 'Fish Eagle of Brook' and built for short handed cruising by the owner and his wife. The normal season included weekend Solent sailing and an annual cruise to Brittany. The first owner kept his Swan in a good, seamanlike condition and had a program of winter maintenance out of the water at Hamble Yacht Services. The rig, sails and running rigging were also checked and serviced regularly.

The second owner purchased the boat in 2009 and did a great job of bringing the Swan up to date.

The following is from an extensive list of works carried out during his ownership:

- Replacement of the teak decks throughout.
- Gel type engine mountings.
- All bunks foams and coverings with leather in saloon.
- Updated and replaced navigation area in teak, having removed the dated leatherette finish.
- Replacement of some rods on the standing rigging. Mast and rigging overhauled and serviced by Hamble Yacht Services in 2009.
- Carbon main boom.
- Replaced sheets and guys.
