Description

This exquisite sailing vessel, crafted for both relaxation and adventure, promises a unique escape on the seas.

Azahar welcomes you into a world of comfort with its beautifully designed interior. Three cabins, including a spacious owner's cabin with ensuite, ensure a peaceful retreat for you and your guests. The saloon, adorned with a convertible settee, creates a warm and inviting atmosphere for relaxation or entertainment.

Seamless Cruising and Racing:

Whether you seek leisurely cruises or thrilling races, Azahar delivers on both fronts. Its thoughtfully designed layout accommodates your desires, while the powerful Mitsubishi engine and Fisher Panda generator provide the reliability needed for any nautical escapade.

Recent winter works in 2024, including tank cleaning and engine service, reflect a commitment to maintaining this vessel in pristine condition.

Sail into Serenity:

With a selection of high-quality sails from North Sails, Azahar is poised to glide through the waters with grace and precision, ensuring an unforgettable experience under the sun or stars.
