Description

Swan 78-005 Naunet

The Swan 78-005 'Naunet' represents the culmination of Nautor Swan's decades-long expertise in yacht design, blending the best attributes of both racing and cruising vessels. Evolved from the distinguished Swan 80 and 82 lines, this yacht offers unmatched performance, safety, and comfort for blue-water sailing. With her advanced hull design, twin rudders, and a performance-oriented T-keel, Naunet is built to excel in both speed and stability, making her a formidable presence in any sea conditions.

On board, Naunet provides luxurious accommodation for up to 10 guests across four thoughtfully designed cabins. The 4.5-meter owner's suite is a highlight, ensuring comfort and privacy. The semi-raised saloon, spanning over 6 meters, offers panoramic views and a spacious, light-filled environment, perfect for relaxation and socializing. The crew quarters, located aft with separate access, maintain the privacy and comfort of all guests on board.

This yacht comes equipped with a complete sail inventory, state-of-the-art safety gear, and two tenders, ensuring she is ready for immediate adventure. Currently based in Athens, Greece, the Swan 78-005 'Naunet' stands as an exemplary vessel, fully prepared for her next voyage.
