ranieri international Voyager 23 s

37 800 € + VAT

Description

Voyager 23S increases the number of models in the catalogue, offering an additional alternative to beginners, sportsmen and anyone who decides to buy a boat that is easy to manage even on their own and can be trailered.

The central steering console accommodates both an electric marine toilet and a refrigerator, while behind the leaning post there is also a sink with the possibility of recessing a gas stove next to it. Its comfortable aft sofa is equipped with an enveloping backrest. The bow area is characterized by a "diamond" design that improves the habitability on board by reserving for guests a large modular sundeck, as well as self-draining lockers that can accommodate equipment of various kinds. Alternatively, a table can be placed in the centre.

Another strong point of the shipyard is the His hull (Hull innovative system) which aims to make navigation

Comfortable in all weather conditions, allowing a much faster planing phase while reducing fuel consumption.

STANDARD EQUIPMENT:

2 Console porthole - Gas extractor - Bow sun cushion - Fuel gauge - Navigation lights - Dark grey oak toilet cabinet - Bilge pump with automatic/manual control - Storage compartment - Redan HIS hull - White hull - Ladder - Water tank - Fuel tank in cross-linked polyethylene - Complete set of stainless steel handrails - Battery switch - Driving stand up - Standard external upholstery - Storage pockets - Complete mechanical steering - Trumpet Electric
