

SALE NEW

ranieri international 275 sl

85 500 € + VAT

Description

The 275 SL marks the birth of a new Ranieri International product line designed for customers who love to experience the boat "en plein air". SL - "Sport Luxury" distinguishes the sportier character without sacrificing high-level details and finishes.

This new boat is characterized by the comfortable bow area which, unlike the Next line, is designed to be very versatile. This area can accommodate guests for comfortable navigation thanks to two removable backrests that create two forward-facing chaise longues. The bow area can be used as a second convivial area with the application of a table and awning, or it can become a large sundeck with the application of an additional module.

The Fully - Developed Cockpit System by Ranieri International construction technique has made it possible to create a welcoming cabin with two beds, a bench cabinet that hides a comfortable toilet and numerous storage compartments.

STANDARD EQUIPMENT:

2 Console porthole with black plexiglass cover - 2 S-Line comfort seats with bolster - 8 Bottle holders - Luxury cabin equipment - Gas extractor - Compass - Stainless steel anchor cubia - Bow "C" dinette with sundeck extension - Refrigerator - Complete shower system - Fuel gauge - Navigation lights - Cabin furniture in dark grey oak - N° 2 Bow seat backrest - King engine cable deck - Stern platforms at walking level - Fuel pump bilge with automatic/manual control - Storage compartment - Cockpit with Seadeck - Black Plex hull profiles -
