

SALE NEW

astondoa 377 coupé fuoribordo

## Description

Astondoa 377 Coupé Outboard is characterized by a clean and aerodynamic design, its inverted bow gives substance, strength and stability to the boat.

The silhouette with soft, rounded lines is reminiscent of the blue whale, whose size, however, does not preclude speed and agility in movement.

The helm station is well sheltered and includes three comfortable armchairs with folding seats. In the cockpit, on the other hand, there is a dinette consisting of a galley cabinet with sink, two sofas and a table, behind which there is space for a comfortable sundeck.

Finally, the below deck houses, in addition to a comfortable owner's cabin, a double cabin and a toilet.
