Description

Cayman 21 Sport is an excellent synthesis of comfort, momentum and elegance. The large bow sundeck hides a large locker, while the centre console is compact and includes a well-structured instrument panel, as well as a functional lumbar rest.

Guests can take advantage of a hob and a retractable sink, which, together with a folding table and comfortable seats, create a practical and functional dinette. The aft sofa also has a folding backrest that allows it to be transformed into a comfortable sundeck.

Finally, the cockpit of the outboard is equipped with two practical platforms, of which the one on the left includes a retractable ladder that facilitates access to the sea.
