Description

Ranieri International Cayman 26 Sport: inflatable boat with refined finishes but also practical in use.

The Cayman 26 Sport houses a compact console that offers forward-facing seating and a well-articulated instrument panel. This rib consists of a sturdy windshield, a perimeter handrail, a seat that incorporates the bar/grill cabinet and a sofa facing the stern.

The bow develops on the classic sundeck, which can be expanded thanks to its extension, or can create a comfortable dinette. Under the solarium there are two lockers, both with glossy counter-moulding, to facilitate cleaning and stiffen the structure. The bow locker contains the anchor winch, which is housed under the tubulars.

A second dinette can be set up at the stern using the sofa, under which the locker with batteries and tanks is hidden. To underline the prestige of Cayman 26 Sport, you can find the padding on the sides that covers the fiberglass molds and the customized bollards that emphasize the care of the entire set-up.

BASIC EQUIPMENT:
