REFIT INFORMATION

In the years 2022 and 2023, 2 REFITS were carried out which transformed the boat into a modern and efficient yacht, the works carried out are:

- Improvement works Re-design of internal and external accommodations
- Construction of the 5th cabin on the upper deck at the same excellent standards as the other cabins.
- Complete renovation of the interior furnishings by replacing the old very dark coverings with bleached oak, leaving elements of the old furniture only in some points to decorate the new one.
- New flybridge arrangements, creating a large U-shaped sofa with a folding table that creates a second sundeck in front of the existing Jacuzzi tub + creation of a small bar counter
- Rearrangement of the sun area in the bow through the creation of a coffee table and various embellishments
