Description

Ferretti 630 is in excellent condition, which combined with the pure lines of the design, the fine finishes and the splendid furnishings make this boat a timeless creation that allows you to experience the sea in full comfort and relaxation. The large windows of the saloon allow 360-degree visibility of the sea.

The use of the outdoor spaces is excellent, from the large and very comfortable flybridge, to the aft dining area, to the bow sundeck. The kitchen at the entrance to the living room is particularly beautiful, functional and practical.

This Ferretti 630 offers comfortable accommodation for 6 people in three well-appointed cabins, each with its own private bathroom: from the splendid full-beam master cabin with large open-view windows, to the comfortable VIP cabin in the bow, to the guest cabin with two flat beds.

In recent years, many refit works have been carried out.
