SHIPYARD'S FULL CUSTOM (Boat of great value) FULL REFIT 2021/2022

The shawl for sale is a CUSTOM model produced for the owner where the traditional galley located in the dinette has been placed in place of the second cabin with bunk beds. This solution allows you to have a dinette on board that can be converted into a double bed separate from the common rooms on board and at the same time a galley with much larger spaces.

The boat is in perfect condition both aesthetically and functionally. Rare opportunity to find a boat in this condition. WORTH SEEING

The Sciallino 33' is a classic, stable, powerful and functional gozzo. The hull is made of P.R.F.V. fiberglass stratified by hand with structural stiffeners (bulkheads, spars and decks). The deck is made of P.R.F.V. fiberglass sandwich stratified by hand. The load-bearing bulkheads are structurally connected to the hull and deck.

### INTERIORS

The lacquered mahogany woods are in impeccable condition.

At the entrance we find on the port side the sofa that can be converted into a double bed with a dining table and on the starboard side there is a spacious console with the television that ends up towards the bow with the helm station.

Going down the three steps, to which a softer staircase has been added that can
