Description

Beautiful Cap Camarat 8.5 WA – Full Electric/Electronic REFIT 2022 – IMPORTANT DISCOUNT. Visits Encouraged

COMPLETE ELECTRICAL/ELECTRONIC REFIT at the end of 2021. (with a cost of about 45k euros)

The Jeanneau Cap Camarat 8.5 is a very elegant motor boat, built for activities suitable for fishing and coastal cruising. It is a boat that combines clean design and functional performance for the use for which it was designed.

The Cap Camarat 8.5 is a boat that makes you proud. In fact, the tapered shape of the hull and the study of the hull are beautifully accompanied by high-quality engine power. The version in question is the twin-engine and is powered by two 300 hp Yamaha engines that allow it to reach a top speed of 45 knots.

The Jeanneau Cap Camarat 8.5 is therefore one of the most successful motor boats of its type. It blends the great features of coastal cruising and fishing boats, with those of travel boats with high performance of fun sailing. Life on board seems to take inspiration from the most luxurious yachts and the pleasure of life on board is guaranteed.

Sliding seat aft of the cockpit, aft bench cushions, aft bench backrests, side bench cushions and incredible folding bench seat behind the driver's seat. In short, the winning personality of this boat sees no limits, in any of its aspects of performance and comfort.

This fusion of maximum comfort, excellent equipment and great sailing
