Description

Offered in excellent overall condition and ready for the season.

Lady Malak is an impressive motor yacht boasting an overall length of 32 meters. Built by the renowned Italian shipyard CBI Navi in 2001, Lady Malak is a true masterpiece of engineering and design. With a beam of 7.2 meters and a draft of 2.3 meters, it boasts an impressive volume of 244 GT which makes it unusually spacious and elegant on the water. The design and fittings are expertly tailor-made that allow guests to explore the wonders of the sea in style and comfort.

Lady Malak is an exceptional superyacht, featuring an exquisite exterior design by Luca Dini Design & Architecture. With a capacity of up to 8 guests, Lady Malak offers an absolute luxury experience on board. In addition, the yacht is equipped with accommodation for 5 crew members, including the captain. Built with a steel hull and an aluminum superstructure, Lady Malak is powered by 2 Caterpillar Inc engines that guarantee a maximum speed of 14 kn. This combination of engineering and design ensures smooth sailing and extreme comfort for everyone on board.

Onboard accommodation includes a luxurious Master Suite located on deck level. This spacious suite features a full-beam design and a split-level bathroom to provide maximum comfort and privacy.

The lower deck is home to a large, full-beam VIP suite, complete with a luxurious en-suite bathroom. This versatile space can also be used as a second owner's cabin. The guests' accommodation is enhanced by two twin suites, which allow the owner to comfortably accommodate up to eight people. The main deck
