Description

IMPORTANT DISCOUNT. VISITS ENCOURAGED

Fully refitted and ready for the buoy

The Baby Boss is a 27.51-metre motor yacht built by Cantieri Navali Lavagna (CNL) in Italy. Originally known as Boss, it underwent a renovation in 2021 under the guidance of nautical architect Paolo Caliarì. With an aluminum hull, this boat offers light weight and corrosion resistance.

Its interior configuration is designed to accommodate up to 12 guests in 5 elegant luxury cabins. Each cabin is designed to offer comfort and privacy, ensuring a luxurious sailing experience. In addition, the Baby Boss can accommodate a crew of 4, ensuring first-class service and a comfortable sailing experience.

Onboard amenities include amenities such as WiFi, air conditioning, and high-quality entertainment, providing maximum comfort and luxury for guests.

In terms of performance, the Baby Boss is equipped with Caterpillar engines of 1920 Hp each, allowing a cruising speed of 24 knots and a top speed of 28 knots. The 2021 renovation involved replacing the engines, upgrading the propulsion systems, new electrical and electronic systems, furniture improvements, and more.

Overall, the Baby Boss represents an elegant combination of sophisticated design, luxurious comfort, and advanced performance, delivering a high-class boating experience.
