mandayachts S09

Description

The S09 by MandaYachts is a semi-displacement motor yacht that represents a perfect combination of innovative design, functionality and respect for the environment. Built at the Mondolfo shipyard in Italy, this yacht boasts unique features that make it an ideal choice for discerning sea lovers.

Design & Performance:

- Hull lines developed by Ceccarelli Yacht Design and validated with CFD and tank tests to ensure excellent seaworthiness, efficiency and ease of maintenance.
- Operating profile that allows continuous operation all year round anywhere in the world.
- Design designed to optimize seaworthiness, stability at rest and comfort, minimizing noise and vibrations.

Efficiency and sustainability:

- MandaYachts focuses on environmentally friendly solutions to minimize emissions into the air and at sea.
- Carbon fiber construction for greater lightness and strength.

Customization and comfort:

- Available in 4 or 5 cabins with bathrooms and 2/3 cabins for the crew.
- Layout and interiors fully customizable according to the owner's needs.
