fnm 3900

9 500 000 € All Tax Included

Description

The FNM 3900 is an example of excellence in the yachting market. The refined design, the luxurious interiors and the complete equipment make it a real jewel of the sea, ideal for unforgettable cruises in total relaxation and comfort.

The yacht boasts an elegant and sinuous profile, the result of Giorgio Vafiadis' refined design. The steel hull and aluminum superstructure blend harmoniously, creating a modern and sophisticated aesthetic. The large glass surfaces give brightness to the interiors, while the fluid and slender lines give the yacht a dynamic and sporty allure. The main deck is dedicated to relaxation and fun. At the stern, a large relaxation area with cushions and awnings offers guests the opportunity to enjoy the sun and the sea in peace. Further forward, the outdoor dining area is perfect for enjoying delicious meals with friends, while admiring the panoramic view.

Flybridge:

The flybridge is the ideal place to enjoy the panoramic view and the breezy climate. A large sunbathing area with Jacuzzi offers guests the opportunity to relax and cool off. An outdoor bar and dining area complete the flybridge set-up, making it ideal for aperitifs and dinners with friends.

Upper deck:

At the stern there is a cozy relaxation area that guarantees plenty of privacy. Upon entering you will find the large lounge with bar. Towards the bow is the bridge
