Description

Lady Ecosse is not just a boat, it is a sea experience. Built by the Scheepswerf De Beer shipyard in the Netherlands, at their Zaandam shipyard it was delivered to its first owner in 1962 and underwent its last major refit in 2023. This luxurious vessel features a sophisticated exterior design and advanced engineering, both of which are meticulously crafted by the talented team at Scheepswerf De Beer. The exterior lines of "Lady Ecosse" are a testament to the expertise of the team at Scheepswerf De Beer, who also took care of the entire engineering package.

Timeless elegance: Imagine a time when yachting was synonymous with class and adventure. Lady Ecosse, built in 1962, proudly maintains the elegance of those years with classic lines and refined details. Its timeless charm is combined with a recent refit (2023) that makes it as good as new, perfect for sailing in style. **Luxurious Hospitality:** Despite its "small" size, Lady Ecosse offers the ultimate in comfort with 4 spacious and stylishly furnished cabins, each with a private bathroom. The owner's suite on the main deck is a luxury retreat with panoramic views. The large common areas allow you to spend unforgettable moments in company, from the cozy lounge with dining area to the various outdoor areas.

A world at your fingertips: Sun worshippers will find their paradise on the flybridge, which is also perfect for admiring breathtaking scenery and enjoying unforgettable evenings under the stars.

Sailing with confidence: The two GADNER diesel engines allow you to reach a speed of 14 knots, while the 9-knot navigation guarantees a pleasant and comfortable journey also thanks to the efficient stabilizers. The range of 5,000
