A timeless design:

The Benetti 100 represents the timeless elegance of the Italian Benetti shipyard. Its sinuous lines and slender profile make it a true jewel of the sea, capable of standing out in any port. The large flybridge and large windows give the boat a modern and sophisticated allure.

Luxury & Comfort:

The interiors of the Benetti 100 are a true masterpiece of design and comfort. Fine materials, such as wood and marble, combine with refined furnishings and soft lighting to create an atmosphere of pure elegance. The layout of the spaces is designed to ensure maximum comfort for guests, with large relaxation and sunbathing areas, a spacious kitchen and a formal dining room.

State-of-the-art technology:

The Benetti 100 is equipped with state-of-the-art technologies that ensure safe and comfortable navigation. The on-board instrumentation is complete and of the latest generation, while the stabilization systems ensure stable navigation even in rough sea conditions.
