FULL REFITTED 2023

The Falcon 100 stands out from other similar boats for a series of exclusive features that make it a real jewel in the yacht charter scene:

Timeless design: The yacht's elegant and refined lines, designed by Stefano Righini, are a tribute to classic Italian style. The timeless design of the Falcon 100 makes it a timeless and fascinating boat.

Fine finishes: Interiors and exteriors are cared for down to the smallest detail, with the use of the highest quality materials such as cherry wood, marble and leather. Attention to detail and craftsmanship make the Falcon 100 a truly unique vessel.

Spacious outdoor areas: The flybridge with jacuzzi, the sunbathing area adjacent to the master suite and the rear cockpit offer guests ample space to enjoy the sea in total relaxation. The Falcon 100 is the ideal boat for those who want to experience the sea in all its forms.

State-of-the-art technology: The boat is equipped with state-of-the-art instrumentation and state-of-the-art safety systems, which guarantee navigation in total serenity. The Falcon 100 is a powerhouse of technology and innovation.

Excellent Performance: Two 1800hp MTU engines propel the yacht to a cruising speed of 18 knots, giving guests a quiet and comfortable ride. The Falcon 100 is a powerful and high-performance boat.

Refined down to the smallest detail: A complete refit in 2023 further improved the
