Description

Don't miss your chance to own a brand new Numarine 37XP without waiting until April 2026 for the next available delivery slot. The 37XP was only delivered in June 2023, but due to a change of plans, the owner is offering it for immediate purchase. This is a rare opportunity that you won't want to pass up! The 37XP is a magnificent 37.17-metre motor yacht, representing the perfect combination of luxury, performance and design. Launched in 2023 by the renowned Turkish shipyard Numarine, this jewel of the sea stands out as one of nine 37 XP models made, offering a one-of-a-kind sailing experience.

A masterpiece of design by Can Yalman: The elegant and sinuous exterior lines, the result of Can Yalman's talent, blend harmoniously with the refined interiors curated by the same design studio. The result is a sophisticated and welcoming environment, where every detail has been designed to enhance the comfort and relaxation of guests.

Luxury and comfort in every detail: The interior layout boasts a 6-cabin configuration, comfortably accommodating up to 12 people. The spacious master stateroom on the main deck offers a true luxury retreat, with custom design, a large walk-in closet and an en-suite bathroom with shower and bathtub. To complete the set-up, there are three VIP cabins and two guest cabins, all equipped with every comfort.

An oasis of outdoor relaxation: Going up to the upper deck, you immerse yourself in an oasis of relaxation: a large sunbathing area invites you to enjoy the sun's rays, while the sky lounge offers a versatile setting perfect for fun or relaxation. A
