Description

Set sail on adventure with the luxurious yacht Dimensione 37: a perfect combination of exceptional performance, unparalleled comfort and unrivalled Finnish quality.

The excellence of the Finnish shipyard: Built with the utmost care and attention to detail by the renowned Finnish shipyard, the Grandezza 37 represents the excellence of Scandinavian boating. Its unparalleled build quality, the result of decades of experience and unparalleled know-how, translates into a reliable, safe and long-lasting yacht.

More than 1000 boats per year: With an annual production of over 1000 boats, the Finnish shipyard confirms itself as a world leader in the construction of high-end yachts. Its great experience and proven expertise guarantee a product of the highest level, able to meet the needs of even the most demanding owners.

A masterpiece of design and engineering: The Grandezza 37 is not only a concentrate of technology and performance, but also a true masterpiece of design. Its sinuous lines and timeless elegance make it a boat with an irresistible charm, capable of standing out in any port.

An experience at sea like no other: Set sail aboard the Grandezza 37 and immerse yourself in an unparalleled sailing experience. Relax in the sun on the bow or dive into the water on the spacious swim platform, enjoy a gourmet dinner in the comfortable dinette or set sail with the confidence of having a high-performance and reliable yacht at your disposal.
