Description

IMPORTANT DISCOUNT! Boat ready at the buoy... Come and try it

The Abbate Primatist G 48 Aero Top is a 14.63-meter sport motorboat with an elegant and refined design. Built by the Italian shipyard Abbate Primatist from 1998 to 2002, it stands out for its excellent performance, build quality and ample space on board.

The hull of the Abbate Primatist G 48 Aero Top is made of fiberglass with carbon and Kevlar reinforcements, giving it strength and lightness. The tapered waterline and deep V-shaped keel ensure stability and comfort when sailing, even in rough seas. The design features a sleek, sporty profile, with a fiberglass T-top that offers protection from the sun and weather.

The deck is spacious and well-equipped, offering several areas for relaxation and enjoyment. At the bow there is a sundeck with large cushions, ideal for enjoying the sun and the sea breeze. The cockpit is equipped with a C-shaped sofa, a dining table and a wet bar, creating a convivial environment for dining or relaxing with friends. The driver's station is ergonomic and complete, equipped with a wheelhouse, dashboard with full instrumentation and adjustable seat.

The interiors of the Abbate Primatist G 48 Aero Top are luxurious and comfortable, with a layout that offers two double cabins, two bathrooms with showers, a full galley and a dinette. The joinery is made of polished mahogany, while the floors are made of teak. The lighting is LED and the electrical system is 12/220 volts. The attention to detail and the choice of fine materials make the interiors welcoming and refined.
