Description

A jewel of the sea by Lürssen REFITTED 2023 – NEW Humphree ZERO SPEED STABILIZER

A true masterpiece of the sea, it came out of the Lürssen shipyards in 1995. This nautical jewel is the result of a collaboration between Lürssen and the famous designer Beiderbeck Designs, who have been able to perfectly combine luxury, comfort and performance.

Built to the highest quality standards that distinguish Lürssen yachts. The exterior lines, designed by Beiderbeck Designs, are sinuous and elegant, while the interiors are a triumph of luxury and sophistication. Equipped with powerful MTU engines, it is capable of reaching a maximum speed of 20 knots and a cruising speed of 16 knots, ensuring a smooth and comfortable sailing experience.

On board, guests can enjoy all imaginable comforts: spacious cabins, luxurious lounges, outdoor relaxation areas, large sundecks and much more. The large outdoor spaces of this yacht offer an incredible variety of comfort and leisure opportunities. An open-air bar, elegantly furnished, is the ideal place to sip a cocktail while admiring the breathtaking views. Generous sunbathing areas, complete with soft sun loungers and parasols, invite you to relax and rest.

The extraordinary leisure and entertainment equipment make this yacht the perfect choice for organizing social events and unforgettable parties in the company of friends and family.

From the exclusive lounge areas to the water sports equipment, every detail has
