## Description

The 2013 Sealine C48 is a pleasure boat that embodies the perfect balance of luxury, comfort and performance. Built with the attention to detail that distinguishes the renowned British manufacturer Sealine, this boat has been designed to offer an exceptional sailing experience, combining modern design and advanced functionality.

Externally, the C48 stands out for its elegant and sporty profile, with fluid lines that do not go unnoticed. The large side and roof windows not only add a touch of class to its appearance, but also allow natural light to flood the interior, creating a cozy and bright atmosphere.

On board, the interior has been designed to maximize space and comfort.

The galley, located on the same level as the living room, is a perfect example of functionality and style. It is equipped with modern appliances, including an electric oven, an induction hob and a built-in fridge. The black stone worktop provides ample space for preparing meals, while the wooden cabinets and drawers provide plenty of storage space, keeping the environment tidy and functional.

The saloon is a real focal point of the Sealine C48, furnished with tan leather sofas that invite you to relax and a wooden table that creates a warm and welcoming atmosphere. For in-flight entertainment, a large flat-screen television is mounted on a cabinet that also integrates a high-quality sound system and an additional refrigerator. The large windows of the saloon offer a panoramic view of the sea, allowing you to enjoy the surrounding beauty even when you are
