Description

For sale by Orange Yachting: The new Gozzo 38 cabin, cruising all-year-round in grand style. ENJOY THIS SEASON IN YOUR NEW GOZZO CABIN The Gozzo evolves once again to match new lifestyles at sea and new markets needs ... and this is why the new Gozzo35 Cabin was born: to satisfy Owners who want to spend longer period on board and/or cruise all year round, in all weather conditions and for several days at a time. The new model of the iconic and successful Gozzo range carries out the winning partnership between the shipyard, Eng. Umberto Tagliavini and Arch. Marco Casali, who aimed to offer greater comfort thanks to newly designed deckhouse with its elegant contoured structure, ensuring more protection and livability inside. The interior and exterior talk to each other in perfect harmony through a four-section glass door openend to the cockpit. Its functions are twofold: to create a single space connecting the indoor and outdoor or, when closed, to protect guests from excessive heat or bad weather. All this without betraying the winning spirit that animates all Apreamare's projects: outstanding seaworthiness, hull stability, comfort and beautiful lines inspired by the centuries-old tradition of Sorrentine's gozzo.
