Description

2020 Sessa Marine F68

A fine example of the beautiful Sessa F68 Gullwing which has been designed to offer exceptional levels of comfort and luxury with incredible detail.

This model offers a beautiful and clever design with 3 cabins, with a nice, spacious and bright cockpit, with two large, uniquely designed side openings allow air to flow through the yacht.

Two gyroscopic stabilizers guarantee perfect stability and comfort.

Fitted with twin Volvo IPS 1200 propulsion system (2 x 900 hp) gives the F 68 a vibration-free ride, making it very comfortable and quiet. This IPS system allows a very simple and pleasant handling of the boat thanks to its joystick controller.

This Sessa F68 is very well maintained by a professional team (JCS YACHTING) since this yacht was bought new by its owner
