Description

2022 Princess F50 Yacht – Luxury, Performance, and Advanced Features

We are delighted to offer for sale this magnificent 2022 Princess F50. This exceptional yacht seamlessly blends elegance and performance, delivering an unparalleled cruising experience. Featuring a sleek and modern open kitchen that flows effortlessly into the exterior cockpit, it is the perfect setting for enjoyable moments with family and friends at sea. With its three luxurious cabins, including a spacious full-beam owner's suite, it ensures both comfort and privacy for all on board.

Powered by twin VOLVO PENTA D8 IPS engines, each producing 600 horsepower, and with only 440 engine hours, this yacht offers both reliability and impressive performance on the water.

This model also comes fully equipped with top-of-the-line features, such as a Seakeeper 6 stabilizer, a water maker, and much more, guaranteeing smooth and autonomous navigation. Come and explore this stunning Princess F50 and be mesmerized by its elegance and superior performance.
