defever cruisers 44 offshore cruiser

129 000 € All Tax Included

Description

Trawler DEFEVER 44 Offshore Cruiser from 1987 under Polish flag. Firm price including VAT.

One of the most popular models, the 44 Offshore Cruiser, is perfect for a cruising couple. It has a large aft deck and a spacious area on the flybridge. The sun deck can accommodate a Whaler or a 3.35-meter RIB.

The owner's cabin is spacious and located at the rear. There is only one guest cabin located at the front. It typically carries 3,400 liters of fuel and 1,325 liters of water. Its range is easily 1,500 miles or more.

The 44 is a reliable long-range cruiser with a full-displacement hull made of solid FRP. It is no longer in production and has been replaced by the longer, wider DF45 Aft Cabin model, which features a semi-displacement hull design.

Visit by appointment.
