Description

Dufour 37 – New boat with bright interiors and 2-cabin version – ready for delivery.

The Dufour 37, like the Dufour 470, its big brother, boasts an infusion laminate hull for proper weight management, greater boat solidity and respect for the environment.

Thanks to the optimization of volumes and a bow designed to increase volumes, the Dufour 37 has a very spacious owner's cabin in the bow with considerable headroom.

Whether it is the three-cabin or two-cabin version with a large bathroom, the interiors of this model are very bright thanks to the large central portholes on the bulwark.

Dufour's DNA has remained unchanged: enjoying the wide open spaces.

On the Dufour 37, the important innovations that have contributed to the success of the Dufour 470 have been introduced: the layout of the dolphin, the large windows on deck and on the bulwarks, the distribution of the outdoor spaces that facilitate the boat's movement on deck. The cockpit is also larger than other sailboats of this size.

In this new model, as with the latest models in the range, the outdoors has been favoured.

In terms of marine performance, this sailboat boasts a modern and stable hull similar to that of offshore racing boats, but with a slightly rounded lower part of
