

SALE PRE OWNED

azimut 70 sea jet 4 cabins + crew

419 000 € All Tax Included

Description

The Azimut 70 Seat Jet is a very spacious yacht with perfect proportions, a sublime expression of gilt-edged excellence, created for experience in the sea in an atmosphere of comfort, Italian style and functionality. It gives you the feeling of being on a much larger yacht and shows a strong sense of customization through its internal subdivision.

Upon entering, guests are welcomed in the main salon, providing an elegant and classic touch. Forward is a fully equipped galley and dining salon. Below deck, guests will find 4 double cabins for 8 guests, each with ensuite head. The full-beam Master bedroom with its own private entry from the salon has an added plus of a full-height walk-in closet. Up forward in bow area is an access to the separate crew quarters for 2.

The yacht also impresses in the outdoor area, with a large solarium in the bow and a spectacular flybridge that has another large solarium, a table for 10 people and a barbecue, where you can spend the best moments with family and friends.

Two magnificent Mercedes MTU V12 engines of 1135 HP each enable the yacht to move up to 21 Knots (cruise speed). With an electricity production plant made up of two Kohler generators of 17.5KW each, there's more than enough capacity to supply all the systems and to be able to operate all the air conditioners simultaneously.

The yacht comes fully equipped incl. Zodiac tender and Jetski. It has always been under continuous professional maintenance and renovation (latest refit
