

SALE PRE OWNED

bertram yacht 31 flybridge

Description

Engine overhaul: 2009 new – 2020 landed and overhauled

Interior layout:

The main feature of this iconic model is the large cockpit aft that can be set up at will or as a convivial area or as a position for deep-sea fishing. Proceeding towards the bow, along the bulwarks there are two comfortable sundecks under which there are positioned the motors. A ladder located on the starboard sundeck leads to the flybride. Despite its small size, this bridge is equipped with 3 comfortable seats and the external wheelhouse. The superstructure is very compact and inside the dinette have been placed on the side of left and the kitchen on the opposite side. The superstructure is very compact and inside the dinette a sofa has been positioned on the port side and the galley on the opposite side, a cabin with berths has been created in the bow V-shaped and starboard, immediately after the entrance, a separate bathroom with toilet and shower.

Instrumentation:

The boat is equipped with the following instrumentation:
