## Description

The **Ranieri Voyager 19S** is a boat that perfectly combines practicality, elegant design and performance. This model, produced by **Ranieri International**, is known for its versatility, making it an excellent choice for those looking for a compact yet high-performance boat.

### Design and Features

The **Voyager 19S** stands out for its clean and modern lines, with a well-organized layout that maximizes space on board. The boat measures approximately 5.5 meters, providing ample space for a family or group of friends, ideal for leisure days on the water. The interior is finished with high-quality materials, ensuring durability and comfort. The spacious bow can be used as both a sunbathing area and storage space, while the helm station is well protected by a windshield that improves aerodynamics and visibility.

### Engine: Suzuki DF40 ASTL

The Suzuki DF40 ASTL engine is an excellent choice for those who want to drive without a boat license. With a power output of 40 horsepower, it delivers brilliant performance while maintaining low fuel consumption, thanks to Suzuki's Lean Burn technology, which optimizes engine efficiency in all conditions. This motor is extremely reliable and quiet, making it perfect for those looking for a relaxing boating experience. In addition, the electronic start and adjustable trim improve maneuverability, especially in narrower waters or in ports.
