cantieri navali leonard Leonard 72 ht

Description

Yacht with aggressive lines and a sporty soul. Large mirrored half-moon windows characterize it.

Suntuosa the stern: The maxi tender disappears housed in the garage; from the large aft platform at sea level you climb with two wide stairs, to the maxi aft cockpit; conviviality is ensured by the maxi table and its aft sofa, by the sink-fridge-barbeque area, as well as by the abundance of available space, difficult to find in other boats of this size. .

The rest.... it's all to be discovered!
